Thanks,

Thanks for the note.

Earlier than 8 am is a little early central time, but I'll run this by Ex. 6 Personal Privacy (PP)

Hi Marianne – Betsy is not in today so I wanted to get back to you in response to your note. We are still available at 9:00, however, we have an all-hands meeting that we must all attend at 10:00. In order for us to make that on time we will need to break at 9:50 or so. I don't want to skip on our hour together if we need a full hour. So, I wanted to provide the option of starting at 8:50. Please let me know if you think Thursday morning is still the time that works best for you and your clients and if so, whether you would prefer to start a little earlier. Thanks! Lilian

I'm still confirming, but it looks like Thursday at 9 eastern/8 central is likely to work. Let's pencil in the time.

Marianne,

I am following up from Friday to schedule a call to discuss the Tallassee closure letter. We have availability this week on Thursday from 9-10am, or on Friday between 9-11am, or 2:30-4pm. Please let us know if there a one-hour block in there that works for you and your clients.

Thank you,
